

Books

FBCP specializes in Print-on-Demand books. We have 2 state of the art Digital Black & White high speed printers, 3 Digital high speed color printers, a BQ-460 Horizon Perfect Book Binder, a HT-30 Horizon Robotic Book Trimmer, a fully automated saddle-stitch booklet finisher, a D&K single side film laminator and an assortment of other finishing equipment that will make your books look first class.

We have been printing books for nearly 20 years and offer a variety of bindings and finishings.

Due to the fact that we have made the jump from traditional offset printing to digital printing, we can now make it even more affordable for you to print your book.

We can give you a large volume price for a small volume run. Call us today and let us help you get your book into print.
