

# Prayer Cards/Postcards

FBCP specializes in printing prayer cards. Since we are a ministry ourselves, we understand the need to find high quality, low cost prayer cards. On average, we print prayer cards at about 50% less than a commercial shop.

Our desire is to be able to help missionaries use God's money for getting to the mission field, not spending large amounts for prayer cards.

Below are the prices for our missionary prayer cards / postcards.
