

Yearbooks

These prices include a full color laminated cover and all binding and finishing. These prices are dependant on you providing finished PDF files that are ready to print.

You will receive one completed proof copy of your yearbook before we go to print. If you need to make any changes and require an additional proof there will be a \$35.00 charge for each additional proof. You may also view your proof on the web for no additional charge.

The only thing not included in the price is shipping. We can give you a shipping estimate upon request.
